KINESIOLOGY TAPE

Maxtaping

100% cotton without medicinal additives. Innovative design of MAXTAPING® can reduce edema and inflammation, maintain normal structural alignment, increase range of motion, and prevent injury. Highly-flexible and can extend up to 140% of its natural length allowing for a full range of motion without restricting soft tissue movement. Unique design results in skin lifting, increased circulation of blood and lymph flow, improved metabolism and pain/edema relief.
